RE: MB Docket No. 14-57

Dear Chairman and Commissioners:

Serving my fifth term as Mayor for the City of Roswell, Georgia, I strive to make my city a world-class place to live and visit. We are the eighth largest city in Georgia, with over 88,000 residents and are growing each day. Through the years, our community has been recognized as a great place to live, work and visit. My hope is that the Roswell area will continue to grow and maintain that same high standard of living.

I am writing this letter in support of the Comcast Corporation and Time Warner Cable transaction. I believe that Comcast has already done an outstanding job providing high quality cable TV and internet services that Roswell residents use daily. What has impressed me even more is the company's deep interest in further technological development to benefit its many subscribers. Comcast boasts some of the fastest in-home internet speeds and best home entertainment features in the country. With Time Warner Cable as a partner, and investments in many technology-based organizations, Comcast will be able to provide even more advanced services for our community and many others in the future.

Comcast makes it possible to bring the latest advancements in home entertainment to smaller cities - like Roswell - and does not limit its services to large metropolitan areas.

Additionally, it is clear from its many community initiatives that Comcast has a clear commitment to efforts that make local neighborhoods

better. When Comcast makes a promise to act, it is comforting to know that they will always follow through. This is the type of attitude that makes Roswell proud to be involved with such a company. Comcast Cares Day is a perfect example. This annual day of philanthropy, mobilizing Comcast employees, their families, and local volunteers nationwide, is just a glimpse of how much Comcast invests in each community it serves. As Roswell continues to prosper economically, it is this kind of service that I want the children in our neighborhoods to witness and be a part of.

I believe the Comcast Corporation and Time Warner Cable will work together to ensure that their customers continue to receive top-notch professional entertainment services. And with this partnership, Comcast will go above and beyond for new communities through improved technology and their charitable efforts.

Our city has a relationship with Comcast and our residents are happy with the services it has provided and continues to provide each day. I ask that you take these points into consideration when you are making your decision and approve the transaction.

If you should have any questions or if I can be of any further assistance, please do not hesitate to contact my office.

Sincerely,

A handwritten signature in black ink, appearing to read "Jere Wood", written over a horizontal dashed line. The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.

Jere Wood

Robyn,

It was good to speak with you this afternoon. As discuss with you, I spoke with Jere about writing a letter of support to the FCC regarding the Comcast Corporation and Time Warner Transaction. Andy Macke, with Comcast has provided a draft of a letter that you and the Mayor may choose to use. I have also included instructions for filing with the FCC, both electronically and by mail. Please send me a copy of the letter that you file with the FCC, and the method in which the letter is filed with the FCC. If you have, any questions please feel free to contact me. Thank both of you for taking time to assist Comcast and Andy Macke.

How to File a Letter at the FCC on the Comcast/Time Warner/Charter Cable Transactions

The Federal Communications Commission (FCC) has requested public comment on the proposed Comcast/Time Warner Cable/Charter transactions.¹ You can make your voice heard by filing a letter with the FCC, which will then be placed in a public file and made available for review.

All letters should be received by the FCC by August 25.

The FCC has specific procedures for filing in this proceeding. If you do not follow the procedures, your letter may not be formally considered.

- Your letter must include the subject line “RE: MB Docket No. 14-57.”
- Your letter must be signed (but it can be electronically signed).
- If filing electronically, submit the letter as a .PDF. You can scan a copy of the letter into .PDF format or convert the document into a .PDF electronically. The FCC prefers electronic filings and the process to do so is explained below.
- If filing by U.S. Mail, you must send the letter to the FCC Secretary, as explained below.

Address the letter in any of the following ways:

<p>Tom Wheeler Chairman Federal Communications Commission 445 12th Street, SW Washington, DC 20554</p> <p><i>RE: MB Docket No. 14-57</i></p> <p>Dear Chairman Wheeler:</p>	<p>Chairman Tom Wheeler Commissioner Mignon Clyburn Commissioner Jessica Rosenworcel Commissioner Ajit Pai Commissioner Michael O’Rielly Federal Communications Commission 445 12th Street, SW Washington, DC 20554</p> <p><i>RE: MB Docket No. 14-57</i></p> <p>Dear Chairman and Commissioners:</p>	<p>Marlene H. Dortch Secretary Federal Communications Commission 445 12th Street, SW Washington, DC 20554</p> <p><i>RE: MB Docket No. 14-57</i></p> <p>Dear Ms. Dortch:</p>
---	--	--

¹ The FCC released a Public Notice on July 10, 2014 – titled “Commission Seeks Comment on Applications of Comcast Corporation, Time Warner Cable Inc., Charter Communications, Inc., and SpinCo to Assign and Transfer Control of FCC Licenses and Other Authorizations” – to officially begin the agency’s merger-review process.

To submit your letter electronically, follow these steps.

- (1) Make sure your letter is in .PDF format by either converting it to .PDF or by printing a copy and scanning it.
- (2) Go to <http://apps.fcc.gov/ecfs/upload/display?z=5gmag>
- (3) Enter the following information in response to the following questions:
 - *Proceeding Number?* Fill in **14-57**
 - *Name of Filer?* Fill in **name of locality/organization/company**
 - No need to include other Contact Info (email address, law firm)
 - *Type of Filing?* Select **"Letter"**
 - You do not need to enter a File Number, Report Number, or Bureau Identification Number
 - Do not check "Ex parte Presentation"
 - *Address?* Fill in **Address Line(s), City, State, Zip Code**
 - In the *"Document(s)"* field, click on **"Browse"** and select the letter you have prepared from your computer's files (be sure to upload a .PDF)
- (4) Click on **"Continue"**
- (5) You will then be asked to review the information you entered and verify that the file you will be uploading is the correct file. If the information looks correct, click on **"Confirm"** and your letter will be electronically filed. You will then be taken to a confirmation page. *If you do not receive a confirmation, there may have been a problem with the FCC's website or your connection. You must resubmit the letter.*

If you do not want to file electronically, you can send your letter by U.S. Mail.

If sending by U.S. Mail, you must include an original and one (1) copy of your letter. To be formally considered in the proceeding, your letter must be mailed to the Secretary of the FCC at the following address:

Marlene H. Dortch
Secretary
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

As with electronic filing, to be sure that the Chairman and the Commissioners see your letter, you can send additional hard copies to them by U.S. Mail.

The FCC also asks filers who submit by U.S. Mail to provide an additional copy to each of the following parties, by either email or facsimile (if sent by email, the subject line should include MB Docket No. 14-57, the name of your locality/organization/company, and "Letter"):
